Don't let your worries get the best of you, remember, Moses started out as a basket case.

I pray this newsletter finds you all well. I want to start by letting you know that no matter what, God is in control. We just have to turn it all over to Him and let Him take the wheel. As you know, if we are driving, sooner or later we will put it in the ditch.

God has truly blessed CrossTies this past year. The economy did not seem to hurt the financial giving, due to generous people like you who support us. It is humbling to know that you see the good CrossTies has on our community, and the people that benefit from our activities. We have seen lives changed. We pray for God's direction and leading as we seek His guidance to be good stewards of what is His. We are looking forward to 2009.

We have some new activities planned as you can see by the calendar. We are excited about them. If you are willing, we are looking for contacts like yourself who would be able to put up posters/flyers at your church, place of business, or even your favorite restaurant. This would help us spread the word, informing more people who might enjoy the events just like you do. As we go along things change, demands change, life styles change, and so are we. Something new and different for this year is our teen events. No longer are they every Friday night as in the past, but something very special once each month. It is going to be exciting and big for all Jr. High and High School folks. I ask you to be praying for this, as well as the marriage conference in October. I'm sure we all know how hard marriages are, even more so today. There are people everywhere in marriages that are troubled, and they are the ones we desire to have attend this conference.

These new activities are over and above the great gospel sings, feeds and let's not forget the fellowship!!

May God's arms be around each of you so you feel His presence ever close.

In Christian Love, Tony
